A SPECIAL MESSAGE ABOUT 2017-18 CAFM SPONSORSHIP

The Connecticut Association of Flood Managers (CAFAM) has been selected by the Association of State Floodplain Managers Foundation (ASFPM Foundation) to co-host a State Flood Risk Symposium in spring 2018. This prominent event is held in only one state each year and brings national thought leaders to CT to assist in furthering our flood risk reduction planning efforts for our state. CAFAM will contribute \$2,500 to the symposium, with a \$2,500 match from the Connecticut Institute for Resilience and Climate Adaptation (CIRCA) and the balance paid by the ASFPM Foundation.

As you may know, CAFAM's mission promotes educating our members and other flood professionals and most of our annual budget is dedicated to this effort by conducting our annual conference in October and three to four smaller educational opportunities throughout the rest of the year. CAFAM's contribution to the upcoming Flood Risk Symposium is a welcome opportunity, but a significant addition to our annual budget. We hope that during this time when flooding is at the forefront of our state and our nation's minds that you may be able to support our efforts and we invite your firm to become a corporate sponsor of CAFAM for our calendar of events for 2017-2018. CAFAM will recognize corporate sponsors at our upcoming annual conference and during all other events held in 2018, up to and including, our annual conference of October 2018.

Corporate sponsorships in 2019 will revert to the standard level corporate sponsorship rate (presently \$75/year) that CAFAM instituted in 2014.
