

# MERIDEN GREEN

## Field Tour and Project Review

As part of an ambitious flood mitigation project, the City of Meriden unearthed a once-hidden stretch of Harbor Brook that passes through its downtown. Combining flood mitigation and economic revitalization, a key aspect of the project was the creation of the Meriden Green, a new urban park located near the Meriden Transit Center that doubles as a flood storage facility.

### PROGRAM DETAILS: Wednesday, June 21, 2017

Please join CAFM at 10:00 a.m. on June 21 for a morning tour of Meriden Green and related flood mitigation project components followed by a picnic lunch. The rain date will be June 23. Cost is \$15 and includes lunch. Register at [www.ctfloods.org](http://www.ctfloods.org) or fill out the attached registration information and make **checks payable to CAFM, and remit to: CAFM, PO BOX 270213, West Hartford, CT 06127.** Questions? E-mail [ContactCAFM@gmail.com](mailto:ContactCAFM@gmail.com) for answers!
