

CALL FOR PRESENTERS

2018 ANNUAL CONFERENCE AND MEETING HOLIDAY INN | BRIDGEPORT

The Connecticut Association of Flood Managers (CAFM) will convene its fifth Annual Conference and Meeting at the Holiday Inn in Bridgeport, Connecticut on October 24, 2018. We invite you to share your experiences as municipal and state officials, industry leaders, consultants, and other interested parties to promote a more resilient Connecticut.

CAFM seeks a broad range of professionals to address the many issues and problems associated with managing flood risk, making communities more sustainable, and protecting floodplain and fragile natural resources. This conference will examine the challenges facing Connecticut, and share experiences and lessons learned as flood managers and municipal officials.

Last year, presenters covered a broad range of riverine and coastal topics, including project case studies, hazard mitigation planning, flood resistant provisions of the state building code, municipal grants overview, and field enforcement of floodplain regulations. We encourage you to share your knowledge with Connecticut's flood management community. Our membership has indicated interest in the following topics, but we will accept presentations on other topics:

- ▶ Climate change and resiliency
- ▶ Community Rating System (CRS)
- ▶ Post-disaster recovery
