Please make your check payable to CAFM and mail to the address noted above. Alternatively, you can join electronically by emailing this application to the email address listed above and paying online at our website at: <https://ctfloods.org/become-a-member/>. Dues are annual and renewal notices are sent in the 1st quarter of each year for renewal.

_____ Member (\$65)

_____ Student (\$20)

_____ Sponsoring (\$150) – Sponsoring membership is for organizations and entities that want to support CAFM. Sponsoring members will have their logos listed on event materials. This tier is in addition to any individual memberships from that organization or entity.

Please check if you are interested in assisting with any of the following:

_____ Membership Committee

_____ Communications Committee

_____ Events Committee

Introducing the...

- ✓ Does your job require interpretation of FEMA floodplain regulations and guidelines?
- ✓ Are you responsible for explaining to homeowners or business owners how flood insurance works?
- ✓ Are you an architect, attorney, engineer, insurance agent, realtor, or surveyor with clients affected by floodplain regulations?

Then CAFM (www.ctfloods.org) just might be the place for you!

Modeled after similar organizations in other states throughout the country, we are a dedicated 501(c)3 association and a State Chapter of the Association of State Floodplain Managers (www.floods.org). Our mission is to develop a professional community that promotes education, policies, and activities that mitigate current and future losses, costs, and human suffering caused by flooding, and to protect the natural and beneficial functions of floodplains.

CAFM members include municipal, regional, and state officials; consultants, federal regulators, and other persons with an interest in sound floodplain management. We have approximately 120 members with our municipal members reflecting 20 to 25 Connecticut municipalities during any given year. Our seven-member Board reflects this diverse membership and strives to maintain a low overhead in order to devote membership revenues into low- or no-cost training opportunities. Our website (www.ctfloods.org) includes a record of our previous events, our newsletters, and training announcements by other agencies that are of interest to CAFM members. We also have numerous (and generous) corporate sponsors who help us defray training costs for these events.

Presentation by CAFM Chair Doug Colter

CAFM Project Tour

Discussion Moderation by Past CAFM Chair Joe Canas

CAFM attempts to provide at least one training event in each quarter of each year, including webinars, project tours, and our annual conference. Our 2023 Event Schedule is below and includes:
